

## **Covid-19 Protocols**

**The safety of both our athletes and our staff is our number one priority! Galaxy has implemented a number of measures in accordance with the current Gymnastics Ontario and Public Health guidelines to ensure all standards are being met. Some of these changes include:**

- a. Staff and athletes maintain physical distancing at all times**
- b. Contactless coaching whenever possible**
- c. All staff are required to wear face coverings**
- d. All athletes entering the building are screened and do temperature checks before entering the facility**
- e. All mats and wipeable surfaces are disinfected after every event. All other surfaces are disinfected with a fogger at the end of each day.**
- f. All athletes are required to use hand sanitizer between uses of any shared equipment and wash their hands frequently throughout the training session**
- g. All bathrooms are cleaned and disinfected after every use  
At this time, currently no spectators are allowed inside the building.**
